Lunch Time

I love lunch time! Every day at noon, I eat lunch with my friends. We go to the school cafeteria and line up to get our food. There are many options like sandwiches, salads, and pasta. I usually choose a sandwich with turkey and cheese. My friend Sarah prefers a salad with tomatoes and cucumbers. After getting our food, we find a table to sit together. We chat and laugh while eating. Sometimes, we share snacks like chips or cookies. When we finish eating, we clean up our trays and throw away any leftovers. Then, we head back to class feeling energized and ready to learn. Lunch time is my favorite part of the school day!
